

GEOLOG'S Annual Charity Golf Tournaments: uniting for a cause

GEOLOG recently organised two successful annual charity golf tournaments in Houston and Aberdeen. These events served as a platform to bring together golf enthusiasts, sponsors, and the community, all driven by a shared commitment to making a positive impact. Combining our love for golf with our dedication to giving back, these tournaments showcased GEOLOG's unwavering support for charitable causes and highlighted the company's commitment to creating meaningful change.

Houston Tournament

GEOLOG hosted the second annual charity golf tournament at the scenic Black Horse Golf Club in Cypress, Texas. We express our deepest appreciation to all the participants and sponsors who made this event an overwhelming success. The day was filled with excitement, camaraderie, and a shared passion for making a difference.

Attendees were treated to lively performances by the talented musicians from Mariachi Mi Mexico en Houston, enhancing the vibrant atmosphere throughout the course. Meanwhile, golfers competed passionately for top honours, including the Longest Drive, Closest to the Pin, and Best Slice trophies. The presence of the PBE Podcast team conducting interviews with Energy Leaders added an extra layer of excitement and helped raise awareness for our charitable cause.

Aberdeen charity tournament participants

Aberdeen Tournament

On a glorious Friday, June 2nd, golfers gathered at the Scenic Peterculter course for the second annual GEOLOG Aberdeen Charity Golf Tournament. The event was an overwhelming success, with participants and sponsors generously contributing to this remarkable cause. We extend our heartfelt gratitude to everyone involved in making this event possible, especially our generous sponsors.

As last year the tournament raised funds for Befriend a Child charity, a cause close to GEOLOG's heart. By collaborating with this organisation, we were able to make a positive impact on the lives of children in need. The funds raised will help provide support, mentorship, and opportunities for these deserving youngsters, giving them a brighter future.

GEOLOG's annual charity golf tournaments in Aberdeen and Houston exemplified the company's commitment to both the sport and philanthropy. By combining our passion for golf with our desire to give back, we were able to create a significant impact on our communities. The success of these events would not have been possible without the unwavering support of our participants, sponsors, and our Houston and Aberdeen personnel.

As we reflect on these memorable experiences, we extend our gratitude to everyone involved and look forward to the continued success of these tournaments in the future. GEOLOG remains dedicated to making a positive difference, uniting people for a cause, and inspiring change in the communities we serve.
